Regan Hillyer, Affiliate of The Lumiere Project, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Confused, overwhelmed, or seriously lacking focus when it comes to your personal brand? I was that person too. I could have gone in 20 different directions. Should I be this? Should I create this? Should I launch this? What if it doesn't work? The questions were endless. The biggest reason was, simply, I didn't have a personal brand! Fast forward 60 days and I now sit here with a well established brand, in profit, clearly defined by physical results. I was the same me as I am right now. I was still Regan. I had the same values, the same beliefs, the same mission and the same voice. I just wasn't positioning myself right, or, at all. I wasn't stepping 100 into my greatness, simply because I didn't know HOW. And among the confusion and the questions and the lack of clarity, there's one thing I now know for sure. You, too, ABSOLUTELY have a personal brand - that just hasn't been established yet. You are an incredible, unique, amazing individual, unlike any other person walking the planet right now. You have a message, a voice, a soul. Yet here's the challenge right now. You're not branded. Or, you're not branded well. If you're someone who is a little afraid (or hugely afraid!) to step 100 into your greatness, this book will give you the strategy, the step by step system, in how to go from being unknown to unforgettable, in just 60 days. Whether your goal is: to be thousands of dollars in profit to expand your social media presence to connect with key people of influence...
