## THE MYTH OF ME: A HANDBOOK TO ASSIST US TOWARD SANITY (PAPERBACK)

Carypress, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Myth of ME is a handbook, a workbook, a meditation, a contemplation. The purpose of this book is to act as a wakeup call to all of the sleeping humans that require an increase in awareness to directly experience who they truly are, and aren't. The journey begins with a brief look at what ME is and how it creates a state of limitation and fear for individuals that grasp at this illusory sense of self as their true nature. We will then explore how ME creates and grasps identities, which it wears to mask its pain and confusion, as it hides in the shadows. Finally, we will engage in the process of dissolving the false sense of self called ME, and allow ourselves to walk out of the cage of social conditioning, which limits us and causes us unnecessary suffering. When ME is, at last, seen directly as a mind creation that is merely our imagination gone awry, we are able to live life fully, peacefully, and clearly.
