Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

(Dr. Bethany Lindgren)

JAMES WELLING: THE MIND ON FIRE (HARDBACK)

[DOWNLOAD](#)

PRESTEL, Germany, 2014. Hardback. Condition: New. Bilingual. Language: English . Brand New Book. A seminal figure in the Pictures Generation - a group of artists working in 1980s New York - James Welling is best known for his pioneering use of photography and for engaging questions about art and the nature of representation. This book focuses on a particularly fecund period in Welling's life, charting the works, influences and shifting ideas, that he has been pursuing ever since. Chronologically arranged, it features works from the 1970s and 1980s interspersed with never-before-seen watercolours, collages, notes, production stills, music, and other ephemera that provide insights into the working process of one of America's most innovative and significant photographers.
