Killer Tribes. Paperback. Book Condition: New. Paperback. 126 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. WARNING: This book will teach you absolutely nothing. Seriously, you wont learn anything educational from this 125-page collection of sentences. You might snicker, you will probably shake your head, and some of you might even spit out your coffee laughing, but you wont be any smarter when youre done with it. (Clearly some reviewers thought otherwise.) Actually, Clams Are Miserable is a humorous exploration of the clichs and expressions Americans use every day without really thinking about what theyre saying. Some of the expressions poked fun of in this book include: Its raining cats and dogs out there. Im all ears. Thats like comparing apples and oranges. Lets bury the hatchet When push comes to shove Happy as a clam Lets give 110 Dont throw the baby out with the bath water and many more If youve said or heard any of those expressions in the last month, you might get a kick out of this book. But remember, you wont learn about the history or origins of these expressions. This isnt History 101, this is recess. So kick off your shoes (not literally, that might hurt someone) and enjoy a fun, easy read that will forever change the way you look at these common expressions. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
