Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Heavy metal, hard rock, classic rock - whatever you guys wanna call it - Disturbed kick ass, plain and simple. It s ironic that their cover versions of two distinctly non-metal numbers have made them famous - Genesis prog rock epic Land Of Confusion and Simon and Garfunkel s acoustic The Sound Of Silence . The band we know as Disturbed has been in action since 1996, previously they were called Brawl. Disturbed s debut album The Sickness was released in 2000 on Giant Records. An immediate success with the alternative rock/nu-metal crowd, Disturbed played on the 2001 Ozzfest with Linkin Park and Coal Chamber, amongst many other bands. Furthermore their sophomore release Believe was a Number One hit in the US Billboard 200. Their third album Ten Thousand Fists was also a Number One hit. The band issued their third studio opus Indestructible in 2008; again a Number One US hit. In fact each of their six studio albums hit Number One in the US. This book is a guide to their albums; it doesn t dish the dirt on any internal band conflicts or any of that nonsense. It just gives quick lowdown on their music and influences. All hail Disturbed!.
