Balboa Press, United States, 2015. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.We have not heard of anyone besides the present author who has experienced near-death multiple times over a forty-year period. In fact, this author has experienced going to the other side more than half-a dozen times, each different than the one before, as well as over a dozen out-of-body events that leave the body interacting with others who remain unaware of the occurrence. We also know others who have died and come back. These unique experiences were meant to open up a new realm of understanding that tells a more complete story of existence-a story of eternity that takes entities outside the box. We are seekers of knowledge and the love of God. Once we are connected to the root (the soul), responding to the clarion call from the beloved, forming communities of the Called (Christian, Jewish, Islamic, Buddhist, Hindu, Zoroastrian, Baha i, and others), awaiting to be chosen, obtain our missions, and assist in the advance of an eternal civilization, having each found, through the journey, his or her eternal companion. We exist to serve God, lord of all the worlds, eternally. We are entities, potentials in transit and transcendence, from one to other worlds of God. We are Soul-possessing-the engraved image of the Creator through which He reveals His beauty. This gives each of us a soul-based state of awareness-tenth-dimensionally speaking. We are spirits, imperceptible fields of activity, the precursor engine of all that becomes manifested.
