Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book, and the volumes that will follow, is a personal interpretation of the author s studying of the King James version of the Holy Bible. I decided to share my thoughts with the belief that others may gain even more clarity as they compare and contrast the contents of my books. The Bible admonishes Christians and believers to Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth (2 Timothy 2:15), this time through.I am focusing more on study. I believe there is a blessing in doing so and with knowledge has to come understanding. Because God has chosen me to carry and share His word, I must have a deep understanding of what I am sharing. It is my belief that in writing this book (in volumes), I may share with others a deeper understanding of the Word, as well. If nothing more, it can serve as a supplementary guidebook to building wisdom and knowledge to those who will read. I am choosing to do this writing in volumes. This is Volume 1 on the Pentateuch.
