

Ultimate Field Trip #5: Blasting Off to Space Academy (Paperback)

By Susan E. Goodman

SIMON SCHUSTER, United States, 2011. Paperback. Condition: New. Michael J. Doolittle (illustrator). Language: English . Brand New Book ***** Print on Demand *****. What s the best part of being an astronaut? Is it the excitement of leaving the Earth behind at the mind-boggling speed of 25,000 mph? Is it the chance to float around a shuttle in zero gravity? Or make new scientific discoveries? Or go out on a space walk? Few of us get to answer these questions for ourselves by rocketing into space. But a group of kids took the first step by going to U.S. Space Academy. For close to a week, they tried on flight suits and the lives of training astronauts. They used NASA simulators and learned how to walk on the Moon and how to work without gravity. They walked, talked, read, lived space travel. Then, they blasted off on a mission of their own. Susan E. Goodman and Michael J. Doolittle bring the adventures of science and space travel alive in the fifth book of the Ultimate Field Trip series. Vivid storytelling and photos help readers don mental space suits and go along for the ride.

Reviews

A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily can get a satisfaction of looking at a composed publication.

-- **Isai Bradtke**

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
