

## Connecting Converts (Paperback)

By Gordon S Jones

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Authentic disciples are in essence disciple makers. When we cease doing, we cease being. Connecting individuals to the person, people and purpose of Christ should trump the mere increasing of church membership rolls. Note that membership is limited to attendance, contribution, and participation, discipleship however, is sacrificial allegiance to all instructions and obligations of a master. In Connecting Converts Gordon S. Jones shares practical steps in developing a discipleship minded community and how to intentionally connect each convert to the person, people and purpose of Christ.
