Plexus Publishing Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. For the first time since Hitchcock, moviegoers have embraced a film director whose name denotes a genre in itself. Tarantino has become a byword for post-modern violence, for a unique take on the crime/gangster/noir genres which both celebrates and comments ironically upon itself. In charting his career, The Film Geek Files provides a colourful guide to the brash, media-saturated world that spawned the premier filmmaker of his generation. Divided into sections charting the controversial success of Tarantino s self-directed films (Reservoir Dogs, Pulp Fiction, Jackie Brown, Kill Bill Volumes I and II) and his famous screenplays (True Romance, Natural Born Killers, From Dusk till Dawn), The Film Geek Files comprises the most essential interviews, essays and reviews of Tarantino s career. This edition is revised and updated to include interviews, reviews and articles on Tarantino s recent films Kill Bill Vols 1 and 2, as well as his forthcoming projects: The Inglorious Bastards and Reservoir Dogs/Pulp Fiction prequel The Vega Brothers. To a vast number of young moviegoers, Tarantino is cinema. To this avid fan market, The Film Geek Files will provide both an entertainment and an education.
