Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I think the best beginning is the morning that grandpapa sent for us to come down to the study. Tib and Gerald, don t think so. They say I should begin by telling our names, and how old we were, and all that-at least, Gerald says so; Tib isn t quite sure. Tib very often isn t quite sure. She has got too grand ideas, and if she were going to write a story, she would make it like poetry, very difficult to understand, and awfully long words, and lots about feelings and sorrows and mysteries. I like mysteries, too-I think they are very interesting, and I have one to tell about, as you will see, only I must tell it my own way, and after all, as this story is only to be read by Tib and Gerald-and our children-we have settled that when we are all three grown-up and married, and have children, it shall be made into a book for them-I daresay it doesn t much matter how it is told.
