

Multiplication Workbook: Fun Daily Multiplication Worksheets for Elementary Students (Paperback)

By Reza Nazari, Somayeh Nazari

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Let Your Smart Child Learn the Multiplication Tables in a Structured Manner! Multiplication is one of the most important operation that students learn in the first few grade levels at school. Learning the multiplication tables facilitates the learning of basic division facts, multidigit multiplication, long division, most fraction math, and factoring. Therefore, mastering Multiplication tables is among the most important things in a child s Math learning journey from 6 to 10 years old. It opens doors and brings out their full potential in many ways. But often children can need a helping hand when it comes to understanding the concept of multiplication itself. In this Multiplication Workbook, students can learn the multiplication tables in a structured manner. In the book, you will find a complete home-study program to help children practice the essential math skills. The book is in-depth and carries many great features, including: - Lively layout and easy-to-follow explanations - Fun, interactive and concrete - Targeted, skill-building practice - About 100 ready-to-reproduce practice pages - Easy-to-follow directions and fun exercises Designed for after school study and...
