A second experiment having been made, the novelty has passed away, and the response with which the call of the Committee met on both occasions, proved that the bold idea had only to be clothed in language, in order to call forth the sympathies of the brightest ornaments of humanity. But however august may be such an assembly, - however sublime the object at which it aims, - however benevolent its designs, - however judicious the plans devised, - however eloquent the addresses delivered, - however fervid the...
