Balboa Press, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.THE HEALING FIELD examines remarkable cases of healing and personal transformation made possible by a range of natural energy based healing techniques. The anomalous experiences arising in these contexts throw fresh light on the timeless issues of the nature of consciousness, reality and selfhood. Through the unique lens of the energy healer we are able to discern a far more expansive, positive and empowering view of our place within the larger web of life. The experiences recorded in The Healing Field are based upon live cases derived from over 15 years of professional experience. These issues often relate to: - Contracts made in the womb - Merged identities - Problems inherited from ancestors - Past life traumas - Near death experiences - Interactions with deceased persons - Spirit and entity attachment - Spiritual experiences - Encounters with higher order beings Each section carefully references scientific...
