Free Spirit Publishing Inc., U.S., United States, 2016. Hardback. Book Condition: New. 203 x 203 mm. Language: English . Brand New Book. For Zach, a class field trip to the museum is about more than cool exhibits; it's about learning from mistakes and dealing with embarrassment. First he forgets to wear his field trip shirt, then he forgets the rule about not touching displays. His teacher helps him see that everyone makes mistakes and how to use them to grow. Using an easy-to-remember tool, the Key to Mistakes, she shows Zach and readers a simple three-step process: Detect (find the reason for the mistake), Correct (fix the mistake if you can), and Reflect (think back about your mistake to find what you can learn from it). Backmatter includes a short note to help teachers, parents, counselors, and other adults reinforce the book's messages and practice the skills with their kids. Zach Rules Series Zach struggles with social issues like getting along, handling frustrations, making mistakes, and other everyday problems typical of young kids. Each book in the Zach Rules series presents a single, simple storyline involving one such problem. As each story develops, Zach and readers learn straightforward tools for coping with their struggles and building stronger relationships now and in the future. .
