Reviews

This publication is wonderful. Better than never, though I am quite late in starting to read this one. I am very happy to tell you that here is the best book we have read through in my personal daily life and could be the finest PDF for actually.

While Just Enough Spanish covers all the standard phrase book topics - including everything from days, months, currencies, and clothing sizes to food, shelter, and medical assistance - its quick-reference format and at-a-glance QA examples make it easier than ever to find just the right word or phrase for just about every occasion. This second edition is thoroughly revised and now includes currency updates and coverage of the latest changes in travel - such as using ATMs for currency exchanges.
