This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. The US is heavily involved in the first major war of the 21st Century -- The Global War on terrorism (GWOT). As with any militant group, the foundation of the enemy s force is their people. There are two primary strategies for defeating the terrorists and achieving victory in the GWOT. First, we must root out terrorists where they live, train, plan, and recruit and attack them militarily. Second, we must suffocate them by cutting off the supply of new soldiers willing to choose aggression or even death over their current life. This thesis helps to achieve these objectives by applying Multivariate Analysis techniques to identify the states most likely to provide asylum for terrorists. Weak and Failed States are attractive to terrorist groups looking for safe haven and recruits. Governments in these states are often unable to prevent illegal activity, and are vulnerable to corruption or takeover. Citizens of failing states often experience poverty, disease, and unemployment, and may see little hope for improvement. Terrorists can...
