

The Alphabet: Fifteen Interpretive Designs: Drawn and Arranged with Explanatory Text and Illustrations (Paperback)

By Frederic W Goudy

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Introduction. The number of books dealing with lettering is now fairly large, some going more or less deeply into the history and development of letter-forms, while others principally present models or facsimiles of existing alphabets for suggestion or copying. The student craftsman will do well to possess, and use, the volumes by Day, Strange, Brown, Johnston and Stevens, together with the several portfolios of alphabets, [Rhead, Smith, Johnston], as they contain matter not within the scope of this work. Naturally, the author who attempts a contribution in a field already well-cultivated, should either offer new material, or present what he has garnered here and there in a novel and undeniably useful way. For the present essay, the writer claims no fresh discoveries in paleography; but he does feel that he has presented his material in a distinctive and helpful form. As regards the text, he has taken his own wherever he has found it, and has incorporated the conclusions drawn from twenty years work and study. He has not attempted to do more than outline briefly the results of his...
