

Preschool Math at Home: Simple Activities to Build the Best Possible Foundation for Your Child

By Kate Snow

Well-Trained Mind Press, United States, 2016. Paperback. Book Condition: New. 244 x 168 mm. Language: English . Brand New Book. Preschool Math at Home will guide you step-by-step as you introduce your preschooler to the world of numbers. Your child will develop a thorough understanding of the numbers up to ten, including: counting, comparing and ordering numbers, recognizing written numerals, beginning addition and subtraction. All of the activities are quick and playful, with lots of movement, manipulatives, and games. Each takes less than five minutes, with no special materials needed other than a few household items. Play each game several times for a full year of preschool math curriculum.
