Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Outer space has become the new strategic high ground. Whether commercial or military, space assets are vital to everything from weather forecasting to communications to strategic and tactical reconnaissance. Western nations must be concerned as rival (and sometimes overtly hostile) actors increase their own space presence. No nation is more dependent on space for its national security and economic welfare...
